f. Medicaid Unwinding [Discussion]

Russell Cook provided the Board with an update on Medicaid unwinding, which continues to be ongoing.

g. Tribal Sponsorship [Discussion]

Russell Cook indicated that the Exchange continues to build momentum with its tribal sponsorship program.

Dr. Jameson commended Director Cook on the work that's been done, requested feedback from new Board Member and Tribal Representative, Amber Torres, and indicated that the Nevada Exchange is a role model for Exchanges nationwide.

Ms. Torres congratulated the Exchange on their work and discussed her role as a tribal leader when the Exchange was first brought forward and the enormous transition and learning curve this was for tribes.

Ms. Weeks asked how many tribal members are enrolled.

Russell Cook indicated his belief that approximately 1,500 tribal members have enrolled.

Amber Torres noted that in the beginning enrollment for natives was very low because they do not quite understand how it works in conjunction with their coverage through Indian Health Services but that this number can increase given that there are 28 tribes in Nevada.

V. Marketing and Outreach Update presented by the Exchange and Marketing Partner, The Abbi Agency

Connie Anderson, The Abbi Agency, and Peter Mitchell, Marketing for Change, provided the Board with an update on marketing and outreach.

Chair Jameson commended the Abbi Agency on the work they've done.

Mr. Kipper questioned if the number of enrollees has declined.

Katie Charleson noted that the Exchange is reaching out to those who did leave the Exchange and canceled their auto renewal.

Russell Cook clarified the distinction between the new enrollees and population of those leaving the Exchange.

VI. Adoption of 2025 Carrier Premium Fees to be charged to insurers. See on website posted NOTICE OF HEARING OF FEES TO BE CHARGED TO INSURERS.

Chair Jameson indicated that the adoption of the 2025 Carrier Premium Fees is an action item for the Board.

Stacie Weeks requested background on the reasoning behind the increase.

Russell Cook provided an explanation for Ms. Weeks and the Board regarding her question and why the fee is decreasing.

Scott Kipper questioned if the Exchange had taken the reduced level and projected it into what reserves would remain at the end of the year.

Jonathan Lopez indicated that the Exchange projects out to the next biennium.

Stacie Weeks questioned if there is broad authority to use that funding.

Jonathan Lopez noted that the Exchange does not have the authority to either reduce or increase subsidies for consumers.

Chair Jameson asked what percentage the Exchange tries to maintain in its reserve of the annual budget.

Russell Cook and Jonathan Lopez indicated that they will come back to the Board with this answer at a future meeting.
