Item Number: X

Title: Consideration of Policy development for Vision Carrier Partnership

PURPOSE

This item is intended to provide the SSHIX Board of Directors with an opportunity to consider the development of a formal policy concerning future partnerships with vision carriers.

GENERAL COMMENTS.....	1-2

GENERAL COMMENTS

ACA regulations do not allow for Nevada Health Link marketplace to sell vision plans directly, however numerous State Based Exchanges have entered into partnership agreements with vision carriers by way of a hosted referral link on the agency’s website. The Board may consider the implementation of a policy which defines a process, potentially including selective evaluation criteria and/or a formal guidelines for application, by which vision carriers might express interest in a partnership with the Exchange.
