Item Number: VI

Title: Discussion and possible action to approve or modify the proposed Vision Carrier Policy

Background

During the June 18, 2024 meeting of the SSHIX Board of Directors, the Executive Director's report included a reference to an existing partnership between SSHIX and VSP Vision Care, a nationwide provider of vision care. This partnership entailed the hosting of a referral link on the Nevada Health Link website which redirects users to the VSP website for possible enrollment. During this meeting several Board members expressed an interest in increasing the oversight and transparency of the manner in which vision carrier partnerships are managed by SSHIX. Subsequent discussions in the October, 2024 and February, 2025 Board Meetings resulted in the drafting of the proposed Vision Carrier Policy and Application documents now submitted for consideration by the Board.
