FAQ

WHAT MAKES BBSPs DIFFERENT?

Unlike traditional Qualified Health Plans, BBSPs are required to meet specific premium reduction targets. That means you may have lower monthly premiums for the same quality coverage.

WHEN CAN I ENROLL IN A BBSP?

You can enroll in a Battle Born State Plan during Open Enrollment beginning November 1 on NevadaHealthLink.com.

WHEN WILL COVERAGE BEGIN?

Coverage will begin 1/1/26 (if you enroll by 12/31) or 2/1/26 (if you enroll in January).

WHAT IF I'M ALREADY ENROLLED IN A PLAN THROUGH NEVADA HEALTH LINK?

No problem—you can switch to a BBSP during Open Enrollment if it's the right fit for you.
