

# BATTLE BORN STATE PLANS (BBSPs)

## NEW FOR PLAN YEAR 2026

### WHAT ARE BATTLE BORN STATE PLANS?

New for 2026, Battle Born State Plans (BBSPs) give Nevadans affordable, high-quality coverage, regardless of income, only available through NevadaHealthLink.com. They're designed to provide savings for all Nevadans, regardless of income, while meeting the same quality standards as other marketplace plans. BBSPs will be offered statewide through Anthem, Health Plan of Nevada (HPN), and Ambetter from Silver Summit.

### ARE BBSP'S THE SAME AS OTHER QUALIFIED HEALTH PLANS?

Yes, BBSP's meet all the requirements of a Qualified Health Plan on the marketplace in accordance with the Affordable Care Act but are required to meet premium reduction targets.

### WHY ARE THE PREMIUMS LOWER?

BBSPs are part of a state-federal collaboration that requires participating insurance carriers to offer reduced premiums to Nevada consumers. More affordable coverage supports healthier communities across our state.

### WHEN CAN I ENROLL IN A BBSP?

**Plan Preview:** starts October 1, 2025 (preview plans and prices).

**Open Enrollment:** November 1 – January 15 (choose or change your plan).

**Coverage starts:** 1/1/26 (if you enroll by 12/31) or 2/1/26 (if you enroll in January)

### WHAT IF I ALREADY HAVE INSURANCE BUT FIND A BBSP PLAN THAT I WANT?

If you're enrolled through Nevada Health Link, you can switch to a Battle Born State Plan during Open Enrollment.

### DON'T WANT TO MISS DEADLINES?

Scan the QR code and signup to get monthly reminders or email [BattleBornIns@nvha.nv.gov](mailto:BattleBornIns@nvha.nv.gov) with the subject line "Open Enrollment Updates."
